

### **What is a charter school?**

A charter school is publicly funded and tuition-free for the purpose of encouraging innovation and education reform while holding to clear standards and evaluation methods for students.

### **Who is eligible to enroll?**

Coastal Grove opened in 2002 and offers K-8 instruction with both classroom based and independent study programs. Pupils will be considered for admission without regard to ethnicity, national origin, gender, or disability.

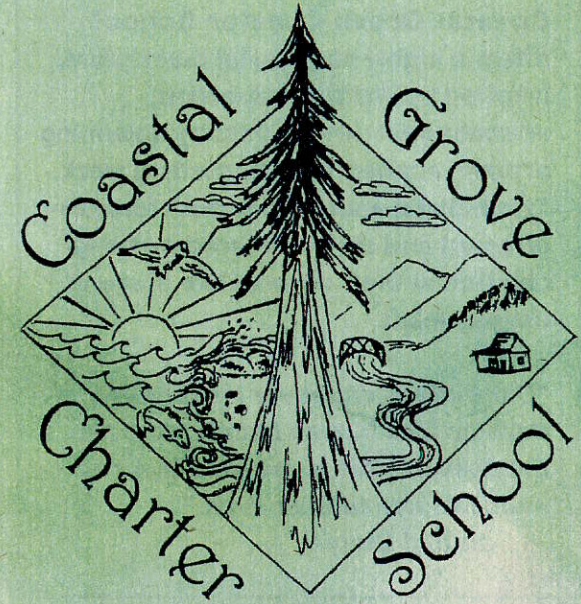

### **Do parents participate?**

Parent participation and support is expected. Parents may participate by joining the Parent Organization, working on committees, or by being elected to the Charter Council. There are also opportunities to volunteer in the classroom, the garden, on field trips, and in the kitchen.

### **Do teachers have credentials?**

Only teachers possessing a California Teaching Credential are employed. A willingness to receive ongoing training in Waldorf Methods Instruction is preferred.
